ELECTION RESPONSE

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

In response to the Office Action dated September 14, 2005, Applicants herein elect species 2, Fig. 4. Claims 1-10 and 14-19 read on the elected species.

This election is being made with traverse. Any proper search for the elected species will also necessarily require a search through the appropriate classes and subclasses for the other species. It would therefore not constitute a significant additional burden on the Office for the examiner to examine all of the species in the present application, and so the election of species requirement is believed to be unjustified.

Application No. 10/733,244

Reply to Office Action of September 14, 2005

Favorable and timely consideration of the elected species is requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
